ROSI FEIST

Thomas Mueller, also known as Rosi Feist, creates a collection of minimalist pop art, which reflects a nostalgic banality of everyday life. He loves the trivial and finds his inspiration from everywhere creating simple paper cut-out collages that catch the eye with their bold colour palettes.

RHIANNA MARIE CHAN

Hi I'm Rhianna! I'm an illustrator and graphic designer based out of Austin, Texas. When I was in the throes of a quarter life crisis I taught myself how to draw and hand letter as forms of therapy. As a result, I create work that encourages people to be kind (to themselves and to others), go after what they want, and celebrate life. I strive to make products that are bright, colorful, and most of all – fun. After all, life's short. You should buy something fun.
